Some Help...

Guide Selling Bracket – Please select the price bracket(s) which you would like to sell your book for. The final selling price will be determined by BookNerd on receipt of your book based on its condition (e.g. permanent markings and damage to the book) it's relevance to the current course i.e. if it's the latest edition or 5 editions old.

TIP: over exaggerating the price of your book will increase the time it takes to sell your book. We recommended you price your book at what its worth and not at the price you would like to get as cheaper books will generate cash faster than one at a higher price.

A. Pickup Option – After nine months, you may request your book to be returned to you via PickUp, free of charge. ‡

B. Continue Sale – BookNerd will continue to sell your book, until it is sold††

C. Charitable Donation – If your book is sold after six months, the proceeds of the book sale will go to one of the two charities sponsored by BookNerd††

Payment 2 You – There are three ways in which BookNerd is able to transfer the proceeds from the sale of your book to you:

Bank Transfer – This is the fastest, safest and easiest option. In order for us to transfer money into your account, please provide us with your bank account number and sort code of a UK registered bank (IT IS NOT POSSIBLE FOR BOOKNERD TO WITHDRAW FROM YOUR ACCOUNT).

Cheque – Should you wish to receive the proceeds in the form of a cheque; we will post it to you to the address provided by you on the label. †††

BookNerd Credit – We will give you credit for the amount of the proceeds from the sale of the book which can be used when purchasing further items from BookNerd. **As a promotional offer we will not charge the 17.5% handling charge on the sale of your books.**

IS the bank transfer method safe?

IT IS A SAFE METHOD OF PAYMENT BECAUSE In the United Kingdom it is not possible to remove funds from a bank account with only the account holder's name, sort code and account number. This information only allows you to pay money into the account.

††Due to the increased costs involved in promoting and storing your book beyond the 9 months period, the handling charge will increase to 23.5%. The remainder of the sale revenue will either go to yourself or your chosen charity. ††† To cover the cost of postage, admin and cheque banking fees, 79p will be deducted from the final sale fee for this service. ‡ Free Return: after the nine month period, you are entitled to request your book to be returned free of charge, all books in this category sold after 9 months which were not picked up, will incur a handling charge of 23.5%.
